

Dear Students and Families,

We are studying the World Around Us in social studies. Through this unit we are looking at similarities and differences in our community and beyond.

To explore this we will be sending out Flat Stanleys. Flat Stanley loves to travel. Please send him to a family member or a friend out of town. This family member should take Flat Stanley on an adventure. They may decorate him, take pictures of him and write letters about his adventure.

Choose your family member or friend wisely because not everyone will want Flat Stanley to visit. I recommend that you call them before you send him, check to see if it is okay and let them know he is on the way.

Flat Stanley and a letter to go with him are attached to this. Please fill in the blanks and send him by _____. That way he will have plenty of time to travel.

We will bring our Flat Stanleys back on _____ to share about their adventures and look at the world around us. Please contact me with any questions.
