- ★ Spelling Pretest*
- ★ Math fact practice
- ★ Math HW (concept)
- ★ Read for 20 mins.
- ★ Extra Math/Fact Practice
- ★ Letter to teacher

See monthly Tic-Tac-Toe sheet for spelling activities!

What is Star Homework?

- *Star homework allows you and your child to choose how much homework they will do nightly.
- *Your child can choose to do 3 or up to 6 stars.
- *The class will be attempting to earn stars for "Mind Soccer" time on Friday. The more stars earned throughout the week, the more minutes of "play" time on Friday so it is important your child does nightly homework that helps our class achieve more minutes of play.

"MUST DO" STARS

- *Your child must complete the math concept double-sided homework sheet, the fact practice sheet, and nightly reading.
- *2nd graders must read at least 20 mins/night

Spelling Activities

Your child will be bringing home a monthly "tic-tac-toe" board to be used throughout the month. The object is to use the weekly spelling list to complete 1 activity M-W nights to get 3 in a row. (sample on back) CHECK AND KEEP AT HOME
*Spelling for Thurs. consists of an adult giving the student a spelling pretest. (may be done via spellingcity.com)

Math Fact Dash/Website

Your child may receive an extra star with additional fact practice (+, -, x, ÷) online as well as play games that reinforce concepts at:
www.ca.gr2math.com or extramath.org

Letter to Teacher

Students can write a letter to me about ANYTHING they are reading. It must be at least a half page and written in neat handwriting to earn a star.
